

I have been cruising/racing both sail and power boats since 1965, beginning as a junior member of Windjammers Yacht Club where I served as Jr. Commodore.

After working with my Father, two Sisters and Brother in our family business for 30 years, I decided to pursue my love of sailing with my complete attention. Long distance cruising and vessel delivery were my main focus. I currently live aboard my sailboat in Marina Del Rey and am enjoying as much sea time as I possibly can. My combined long distance cruising/racing experience exceeds 162,000 verifiable international blue water miles as of September 2016.

I am a USCG Licensed 100 Ton Master Captain STCW 95-TWIC certified-CPR adult/children-First aid certified-Safety at Sea certified-Sailing endorsement-All certs current. Consider myself a heavy weather specialist. I have 11 Transpacific crossings including Trans Pac Race in 2011.
